Why a Parent Chatterbox?

1. Use this chatterbox to gauge how your child/ren is tracking emotionally during this time. These questions are here to help them open up to you, but also for you to guide them and point to Jesus. If you're stuck, say you "don't know" – kids love authenticity. Then pray together with your child for God to reveal His truth to you. Feel free to check in with your Kids Pastor if you need help.
2. Questions like "Why doesn't God take away sickness, like Covid-19?" are relevant. We may not know why, but what we do know is that God is good, He is always there for us and if we ask for His help, He'll help us. He wants us to pursue a relationship with Him of constantly asking and talking to Him – we may not get the answers, but it's the journey of spending time with Him that we'll grow and begin to see His purposes and heart for us.
3. We have intentionally left one question blank for you to fill with something personal for you and your family.
