

PRESCHOOL - TANGRAM

TANGRAM FAITH!

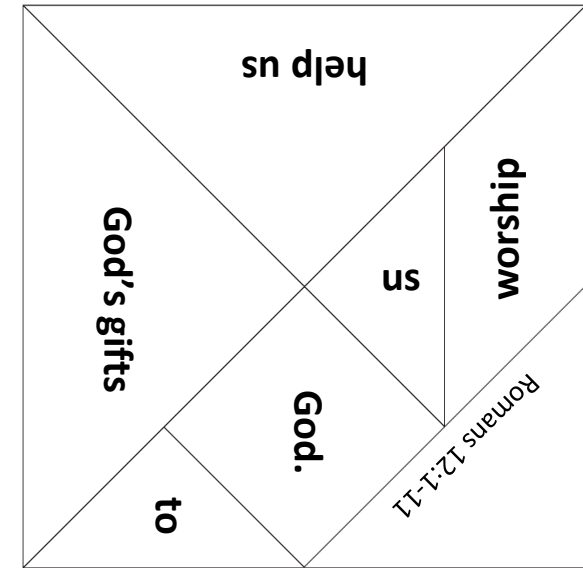

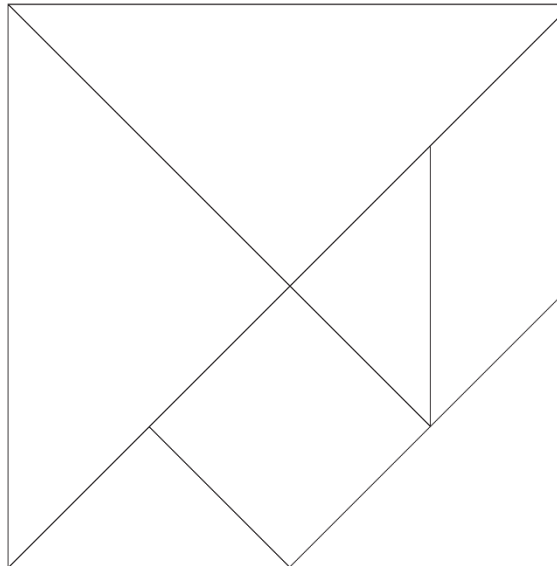

This month your kids can have fun learning about how AMAZING God is with shapes and a Tangram set.

A Tangram is a set of SEVEN shapes that can be arranged in many different ways to create a picture or shape.

We've created a Tangram set for your child to colour in and cut out. Then they simply need to place the shapes over the pictures to create an object from the bible stories.

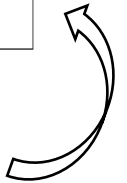

Help your child to do this. They may find it challenging as they are still learning 'spacial awareness' and how things fit in. Remind them that God is Amazing and can help us with anything. Just like these puzzles can be challenging (or really, really hard), we can always turn to God for help.

DIRECTIONS: Colour each shape a different colour. Then carefully cut along the lines to create **SEVEN** pieces of a tangram puzzle set. If you've got a laminating machine, laminate each puzzle to make them sturdier.

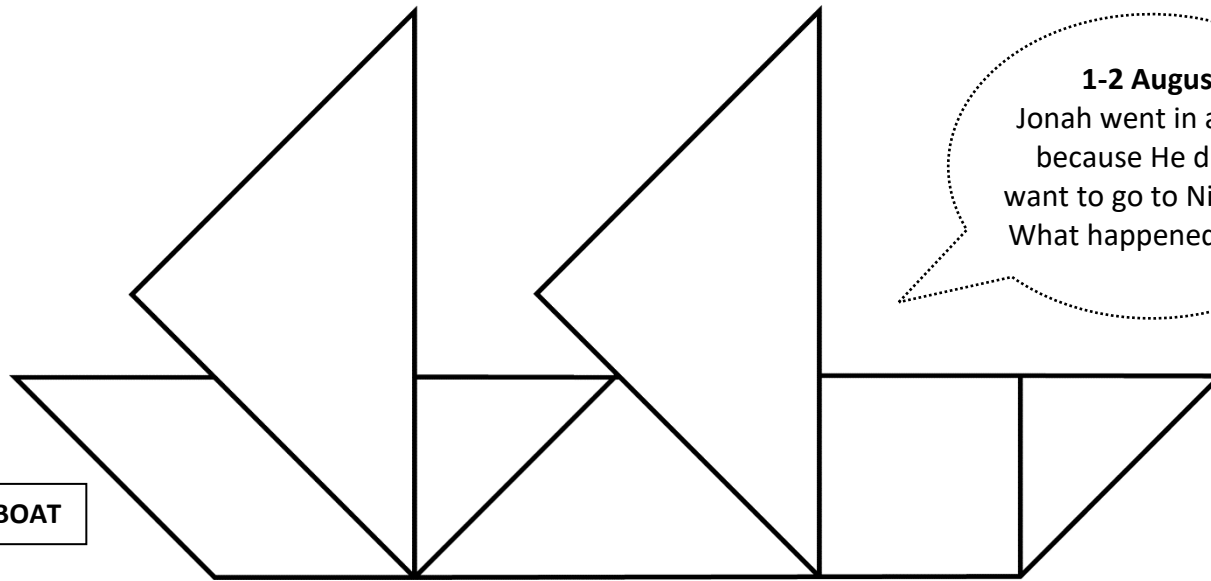

MEMORY VERSE Puzzles!

Help your Preschooler learn this week's Memory verse with more Tangram Fun.
