5-6 February God made light, dark, sky and water <i>Genesis 1:1-8</i>	<u>Overview:</u> God creates! The first chapter of Genesis lays the foundation for our Key Truth: God made me. This points to the fact that “We are a special creation of God, with an eternal soul. I am not a random accident of nature.” <u>Underpin:</u> In the following few weeks we’ll be looking at “the beginning”, where it all started. The book of Genesis opens with God's account of His creation. We’ll look at the first few days of how He created light and dark, sky and water, land and sea, objects in the sky, fish, birds, animals and man – keeping in mind that there was ‘nothing’. God made it and it was ‘good’. Today’s culture there are many creation theories being thrown around so it has never been more necessary than it is now to begin instilling a biblical understanding of creation in people at a very young age. The crux of it is if our children believe that God made everything – and them – then they will have an identity in Him that says “I was made for a purpose” and not randomly created by evolution or some sort of big bang theory.
