When God reveals Himself through a specific name, we learn something very special about Him. Through these three-week lessons on the attributes and power of God, the preschoolers learn that God leads us as the good Shepherd, He heals us as our divine Healer, and He is the Creator of heavens and the earth. Learning Outcome At the end of this series of lessons on God, preschoolers will understand and believe that: 1. God moves and works according to His name. 2. God gave Himself specific names. He wants us to know Him and what He can do. 3. Our God is the Creator God, the Creator of heavens and the earth. 4. God loves everyone and saves anyone who puts their faith in Jesus (Acts 10:34–35; Romans 1:16). 5. Jesus died on the cross for our sins, rose again on the third day, and is now seated at the right hand of God, interceding for us (Romans 8:34). 6. Jesus is the Son of God. We receive forgiveness of sins and everlasting life when we believe and confess with our mouth that Jesus is the Son of God (John 3:16–17).
